

SPECIAL ADMISSION PROGRAM

CRITERIA

1. The Special Admission Program is open to any K-12 student who, in the opinion of the Superintendent/President or designee, can benefit from instruction.
2. Students may be admitted upon recommendation of the principal, counselor and parent. **All new students under grade 9 and their parent or guardian must attend an interview with a college official, such as college deans, college vice-presidents, counselors, or subject matter instructors, to determine enrollment eligibility, course placement, or general advisement.**
3. Special Admission students shall conform to the College's academic rules and regulations and the code of conduct expected of all college students.
4. **The College reserves the right to exclude or limit enrollment into programs where health, safety, instructional methodology, facility constraints, or legal requirements are deemed inappropriate for Special Admission students.**
5. Students are exempt from paying the California Community College Enrollment Fee if they enroll as a part-time student (less than 12 units). Special Admission students who enroll in 12 or more units are considered full-time college students and must pay the enrollment fee for all units enrolled. All other required fees must be paid by part-time and full-time Special Admission Students (i.e., Health Service Fee, Student Center Fee, Student Record Fee, and R.S.V.P. Telephone Registration Fee.)
6. Effective January 1, 2004, Senate Bill 338 limits the enrollment of Special Admission students to a maximum of 10% of each Physical Education class. (Example: if a class maximum is 40 students, only 4 special admission students will be allowed to enroll)

The following documents must be completed, signed and submitted to the Office of Admissions and Records before students may register in courses:
